### Two Trains In Two Days

Wichita, Kan. — Last month, Chance delivered two C.P. Huntington trains to two different locations in two days.

The Norfolk Southern Express pulled into Norfolk, Va. on July 14, 2008. The train received a police escort through town before making its way to its new home at the Virginia Zoo. This CPH locomotive will pull three coaches along a nearly three-quarters of a mile track when it opens next month.

Wheaton Regional Park, Wheaton, Md. is home to a new Chance CPH locomotive. The train, delivered July 15, 2008, is the park's second CPH. Passengers aboard the Wheaton Miniature Train are treated to a 10- minute tour of the park's forests and meadows, over a trestle bridge and past Pine Lake.

Chance Morgan, Inc. is located in Wichita, Kansas. For more information about Chance Morgan products, visit [www.chancemorgan.com](http://www.chancemorgan.com).
