Wichita, Kan. — The Hermann Park Conservancy in Houston, Texas added two C.P. Huntington trains to its newly renovated Hermann Park Railroad this past spring.

The park expanded the existing rail line to 1.8 miles and added a 24" gauge train track to accommodate the CPH. The trains each pull six coaches and are ADA compliant.

The trains run daily from 10 a.m. to 6:30 p.m. \$2.50 admission. The railroad also serves the Houston Zoo and Museum District.
