### Coast to Coast Chance Wildlife Carrousel Delight

Wichita, Kan. — In July, Chance Morgan, Inc. delivered two wildlife carrousel to zoos located on opposite sides of the country.

The Cape May County Zoo located in Cape May, N.J. opened its new carrousel to the public on Saturday, July 19, 2008. The Chance 28' Carrousel is the first unit to feature a permanent Poligon® seamless roof. This new option, available on all sizes of Chance carrousel, eliminates the need to erect a building or structure as shelter against the outdoor elements.

On the West Coast, the Santa Ana Zoo at Prentice Park, Santa Ana, Calif., welcomed the first Anteater figure by Chance. The anteater was commissioned by the Santa Ana Zoo as a tribute to the University of California Irvine's mascot, Peter the Anteater. The new figure has been added to the Chance wildlife figure line.

Chance Morgan, Inc. is located in Wichita, Kansas. For more information about Chance Morgan products, visit [www.chancemorgan.com](http://www.chancemorgan.com).
